Hintlesham and Chattisham CofE Primary School Curriculum

At Hintlesham and Chattisham our School Vision and Christian Values together with our British Values are intrinsically linked and underpin all that we do within school. Our Curriculum and ethos are based around these and are modelled each day across our whole school environment.

UNITY

As a Church of England School, our ethos of mutual respect and empathy for all people, regardless of faith or belief, is embedded in all that we do. Unity and community is central to the Christian faith. We are all part of God's family, which means that we all belong together. We strive to facilitate links across our school, with our local communities and in the wider world to ensure that all children have a sense of belonging and a respect of diversity, equality and British Values, becoming a beacon for others.

OPPORTUNITY

We work to broaden our children's horizons and expand their knowledge of the world through exposure to a wide range of life opportunities and possibilities. This is both from within our curriculum and through a wide range of enrichment opportunities, including outdoor learning. We nurture their interests, encourage enterprise and instil independence, perseverance and fearlessness in accepting new challenges, resulting in belief that they can achieve and be successful in anything that they set their mind to.

CREATIVITY

Creativity and curiosity are vital skills to prepare children for the challenges and opportunities of the future. Our creative curriculum encourages children to approach tasks differently, fostering innovation, imagination, and critical thinking. Creative learning opportunities allow children to express their understanding in various ways. Our creative curriculum also supports the development of responsible and well-rounded individuals socially, emotionally, spiritually, physically, and academically. Creative teaching methods can challenge, engage, support and motivate pupils, making learning more relevant and memorable, and ensuring that each child is able to learn in a style that suits their individual needs.

Our Key Curriculum Principles:

- **A Clear vision for learning**
- **To inspire and motivate pupils to learn through exciting and engaging opportunities**
- **To develop and deepen pupils' knowledge, vocabulary and skills by structuring learning through our big ideas/gems**
- **To support our pupils social, emotional and spiritual growth through our Christian and British Values inspiring children to be the very best they can be**

Humanities

Geography

Our goal for Geography education is that children develop knowledge and curiosity about the physical and human characteristics of the world, through the 'big ideas'/gems:

History

Our goal for History education is that children gain an increasingly mature and informed historical perspective on their world, through the 'big ideas'/gems:

Computing

Our goal for Computing education is that children are able to use computational thinking and creativity to understand and change the world, through the 'big ideas'/gems:

RE

Our goal for RE education is for children to gain an increasingly sophisticated understanding of the basis and impact of the world's major religions, beliefs and worldviews, through the 'big ideas'/gems:

Reading

Our goal for Reading education is for children to read fluently, both for enjoyment and information, enabling them to access all future learning, to develop essential life skills and to nurture a love of reading, through the 'big ideas'/gems:

Writing

Our goal for Writing education is to equip children with the skills to communicate what they see, feel and think through the medium of writing, through the 'big ideas'/gems:

PE

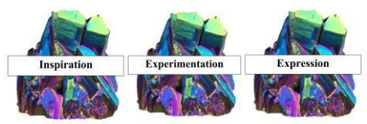
Our goal for Physical Education is that children are inspired to lead active, healthy lives, through the 'big ideas'/gems:

Design Technology

Our goal for Design Technology education is that children are able to apply their knowledge, experience and practical skills to design solutions in real-world problems, through the 'big ideas'/gems:

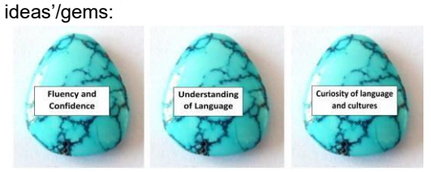
Art and Design

Our goal for Art and Design education is that children are able to use their creativity to interpret and respond to the world around them, through the 'big ideas'/gems:



Modern Foreign Languages

Our goal for MFL education is that children gain an increasingly greater understanding on their world and other cultures, through the 'big ideas'/gems:



Music

Our goal for Music education is that children are confident to appreciate, create and perform music, through the 'big ideas'/gems:

Science

Our goal for Science education is that children become scientifically literate citizens who understand the world around them, through the 'big ideas'/gems:

PSHE

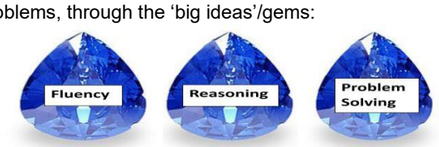
Our goal for PSHE education is that children know how to be safe, healthy and emotionally regulated, so they can manage their future lives in a positive way, through the 'big ideas'/gems:

Outdoor Learning

Our goal for Forest School is that children develop skills for life, building resilience, confidence and self-esteem through the 'big ideas'/gems:

Maths

Our goal for Maths education is that children are able to solve increasingly complex routine and non-routine problems, through the 'big ideas'/gems:



School Vision:

'Together we are a PRECIOUS team; We work hard to shine and gleam!'

The Christian bible talks of God seeing humans as his jewels in the making (Malachi 3:16-17)

Our classes represent precious jewels; every individual sparkling gem, child and adult, has amazing potential. All are valued, and valuable, as God's children: His special treasure.
